Italian chic and Parisian haute couture combine at the iconic Castille. Standing alongside the legendary Chanel Maison, in the heart of the 1st Arrondissement, this five star hotel has been lovingly restored to its 18th century glory days. Quality flows through every detail: in the original art and antiques, the elegant Florentine patio and Roman fountain, the spacious suites and stately bar. Yet, amid this opulence there remains an intimacy and charm, a sense that this is your own private residence in one of the world's great cities. The Castille is a member of Preferred Hotels & Resorts.
